SUBJECT INDEX

Age differences in financial attitudes 271
Application of consumption and income data to policy issues 171
Banking deregulation in the US 25
Board games in health education 19
Canadian university consumer studies courses 291
Communicating food quality to consumers 131
Consumption patterns among ethnic groups of Canada 215
Contemporary outer dress in Middle Eastern women 55
Displaced workers' re-employment earnings 105
Elderly food consumers 363
Electronic temperature control in electric ovens 315
Energy labelling of washing machines 227
Energy-saving attitudes and behaviour of women 401
Energy-saving in the use of electrical household appliances 401
Factors affecting re-employment earnings 105
Family cheque accounts in the US 25
Family variables and nutrient intakes in Malawi 75
Female human resourses of women in Turkey 387
Female midlife workers re-employment earnings 105
Financial attitudes, beliefs and behaviours 271
Food and social class 329
Food choices and the younger generation 141
Food-handling practices in Oregon 117
Future trends in professional cleaning 371
Garment fit in mature US women 85
Ghanaians' perceptions of textiles and clothing labels 97
Government–industry–academic collaboration 41
Home-based employment 189
Increased accuracy in food research 315
Information society and the consumer 247
Lunchtime eating habits of secondary school children 259
Mandatory bankruptcy counselling in Canada 41
Nutrition knowledge of secondary school children 259
Partially defatted soy flour 151
Perceived health among Malawian women 75
Primary school health education 19
Purchasers of environmentally friendly detergents 237
Recruiting older department store workers in the US 157
Rice-eating habit in four countries 349
Selection of textile products made from recycled fibres 307
Sensory and physical characteristics of baked products 151
Textile recycling in the US 1
Use of clothing markets by Middle Eastern women 55
Washing machines and energy labelling 227
Water usage in metered and unmetered households 201
Welfare impact of income generated from child caring 189
Women and policy issues 171
